The motion was withdrawn and tabled for December.

Chief Stevens would like to sell the Rescue 1 Truck to CAASA and purchase a new Rescue truck. The reason is it can be sold at a good price right now. Bobby Byles the maintenance crew member explained the reason to sell the old rescue truck and purchase a new truck. The cost of repairing the ambulance/rescue truck 1 is becoming costly. Greg Atwood questioned OMESA's current funds. Chair Herendeen asked Treasurer Hughson about the OMESA's current and future finances. The board weighed out other options for purchasing the truck. The board discussed the first step of selling the Rescue 1 truck. The representatives will need to take the proposal by Chief Stevens to their respective boards.
